TECHNOCRANE 22 - Film

CRANES

The Technocrane 22, a lightweight option with the same reach as the Supertechno 22 when portability is a necessity. Smooth and silent, it is also an excellent alternative to a jib arm with the advantage of telescopic travel (15'6"). The crane can also be used on a standard dolly with a simple Mitchell adapter.

*Note: max camera weight 35lbs with the use of the integrated lightweight remote head

TechnoCrane 22 Quick Specs
