WHITES MOBILE CRANE BASE

CRANES

The Whites Mobile Crane Base is an ideal vehicle to move our 50' Supertechno or any of the Whites articulating cranes just about anywhere. It has non-marking tires and is ready for both indoor or outdoor applications with its dual fuel capabilities. The Mobile Base also has dual steering axles for a tight 12' turning radius.

Mobile Crane Base Features

- 7'4" wide, 14'4" long
- 12' turning radius
- dual fuel, propane and gas
- non-marking tires
- 50' ST crane base standard
- dual axis turning
- suits any Whites articulating crane
- fore and aft 17,500lbs winches
