

B-BOX

ELECTRICAL DISTRIBUTION BOXES

A SUNBELT RENTALS
COMPANY

DESCRIPTION

An innovative offering from B-Box and WFW are two multi-use power distribution boxes that streamline powering a set and make the job easier. The B-Box combines a Tower of Power with both Joy and U-ground connectors. The smaller Baby B-Box is an inline distribution box with Joy and U-ground connectors and a 3 camlock connector feed-through.
