

# **WILLIAM F. WHITE INTERNATIONAL PRESENTS THE POWELL RIVER PATHWAYS PROGRAM**

## **ABOUT THE PATHWAYS PROGRAM**

This program is intended to help foster a career pathway into the motion picture industry for young people whose personal situations may prohibit them from doing so. It is directed toward youth who have experienced personal or systemic obstacles, and who would most benefit from the immersive education and residential experience available in Powell River. The program is open to all residents of BC who are in full time, secondary education, yet to graduate high school and are eligible to attend the Powell River Digital Film School (PRDFS) from February to June.

The program is a collaboration between the PRDFS and William F. White International (WFW). It is part scholarship from in the form of paid residential billeting to attend the PRDFS, and part work placement with WFW upon the completion of the film school program.

The work placement is intended to take place immediately or shortly following completion of study at the PRDFS and is subject to the selected candidate's satisfactory completion of this program.

## **ABOUT POWELL RIVER DIGITAL FILM SCHOOL**

The film school is a dual credit program earning 20+ high school credits and simultaneously earning university credits to two prominent Universities, Emily Carr University and the Toronto Film School. We also have preferential entry into Capilano University and Langara College. It is open to all non-graduating B.C. students who are interested in the fascinating world of professional filmmaking. The school allows students hands-on experience with state-of-the-art equipment in a professional environment. The course is intended to introduce the skills and concepts of professional filmmaking and the industry of Motion Picture Production.

Both a set etiquette and set safety course will be included in the program. This allows the students to be present on live film sets as well as, in many cases, enable the student to garner paid work in the industry of the film business.

Throughout the course, students will learn aspects of script writing, camera operation, sound recording and design, directing, producing, post-production (editing), animation and lighting as well as marketing and the basic language of filmmaking.

Students will meet many people with similar interests throughout the various workshops and travels we do, and will learn much about themselves, each other, and life itself. Students are encouraged to broaden their imaginations and foster their full creative potential while learning about teamwork, leadership, empathy, respect, honour, and imagination, as well as how to market their work and launch their career in the film industry if they so desire.

Many students from past years have transferred to our affiliate schools, and many are working in the film industry today.

## **OUT OF TOWN STUDENTS**

Students from out of town are billeted (room and board) in Powell River by local bonded families during the five-month program. Billeting costs are \$1,000 per month and include a private room and all meals.

WFW will sponsor a student for the program in Powell River.

# **WILLIAM F. WHITE INTERNATIONAL PRESENTS THE POWELL RIVER PATHWAYS PROGRAM**

## **WORK EXPERIENCE**

The course is a 20-credit course and there are four (4) credits allotted for work experience. Students are encouraged to take advantage of any given opportunities to volunteer on local productions as this can be added to their resume and lead to paid work. Some students may even be offered paid work on professional production sets. At the school, we do keep an eye out to help students advance into a film career if they so desire.

## **WILLIAM F. WHITE INTERNATIONAL WORK PLACEMENT**

WFW is a cornerstone of the film industry. It sets the bar for industry education and firmly believes that everyone deserves a chance to prove themselves in this competitive and demanding environment.

In providing work placements, WFW ensures that opportunities are given to youth that would normally not have the means to benefit from fee paying education or unpaid-internships, or have faced barriers to access.

WFW will provide work placement opportunities to the chosen candidate successfully graduating from the PRDFS through the Pathways Program.

This is a paid internship during the summer months. The successful candidate will be awarded a position on the warehouse floor at our Burnaby operation. A curriculum has been developed to ensure the candidates receives a well-rounded, safe and enjoyable experience.

### **Please note the following:**

- Candidates must supply their own CSA approved safety boots. WFW offers partial reimbursement.
- This is an entry-level position and will involve manual labour. The successful candidates should be physically able to handle the rigors of a floor position within the warehouse.
- The successful candidates would ideally be 18 years of age or older at time of starting the work placement, to meet insurance requirements.
- The placement will be at WFW's operations in Burnaby, B.C. It will consist of paid, temporary employment with hours between 8:00AM to 5:00PM, Monday to Friday. Candidates must be able to commit to regular attendance, perform physical and manual labour and abide by all subsequent terms and conditions of employment and health and safety regulations.
- The work placement will be for a period not exceeding three months and will be under the terms of WFW's standard probationary employment. Should the candidate have chosen not to pursue post-secondary education and is available for, and interested in, continued employment, a successful placement may result in the offer of continued full-time work. This is at the sole discretion of the WFW team and subject to a full-time vacancy being available.
- The successful applicant would be onboarded and trained to work in one of the departments within WFW's operations. Availability and workload permitting, they will have opportunities to shadow and assist in other departments under the guidance of the Department Supervisors and Management team.
- The successful applicants should aim to make the most of this opportunity, upholding educational and practical performance standards during both their time at PRDFS and WFW.
- Work placement start dates will be determined with the individual candidates, subject to their availability.

**Application Deadline: July 5, 2023**

This program is intended for eligible students in BC secondary education who will be 18+ by June 2024.

The student must be a citizen and/or permanent resident of Canada, and reside in BC.

The successful candidates will be the best all-around applicants. Academic achievement, extra-curricular activities and interests, community involvement, work experience, awards etc. will all be considered.

A Program Committee will judge the applications. The potential recipient will be recommended to the Executive Officers of WFW, who will award the money.

The decision of the Program Committee and Executive Officers is final.

Students may reapply every year they are eligible, with the opportunity of being awarded a scholarship only one time.

Applicants wishing to apply for the work placement WFW, Lighting, Grip, and Power may be required to attend a virtual interview with the operations management representative(s) on behalf of the Program Committee.

To be eligible for the additional work placement at WFW, Lighting, Grip, and Power Burnaby location – applicants must be aged 18+ at the time the work placement commences.

Applicants are required to be available for work between 8:00AM and 5:00PM, Monday to Friday.

Work placements will be fully paid at standard new-hire probationary rates.

Applicants will be required to comply with all existing Health & Safety and Employment terms and conditions.

WFW reserves the right to withdraw any offered work placement opportunities, at any time.

## **APPLICATION GUIDELINES**

WFW reserves the right to choose who the recipient is, and all decisions are final. WFW also reserves the right to change or cancel this scholarship fund as required.

**Do not send original documents via post. Applications will not be returned. Photographs or scans of documents are sufficient.** Transcripts or letters of acceptance that are not available when the application is first submitted may be forwarded to [pathways@whites.com](mailto:pathways@whites.com), and may be considered by the scholarship committee if received before the committee makes its decision.

## **REQUIREMENTS**

**The following must be included with the application:**

1. Completed application including any supporting documentation.
2. Copies of transcripts of latest marks (please provide last year of secondary school).
3. Letter of Intent (maximum 500 words) that explains why you feel that you are the best candidate to receive this scholarship.
4. Letter of support from a current teacher, tutor, or mentor.
5. Completed biography (form attached).
6. Link(s) to example(s) of film or creative work.
7. Signed consent (form attached).

**All applications and supporting documents should be marked 'P.R. PATHWAYS APPLICATION' and emailed to [pathways@whites.com](mailto:pathways@whites.com).**
